

## UNO MINDA organizes Joint Venture Partners Meet in Nagoya, Japan.

**23<sup>rd</sup> February'2017** - UNO MINDA, a leading Tier 1 Auto Components Supplier organized a JV Partners Meet in Japan on 22<sup>nd</sup> February'2017. The Group has joint ventures with Technology Leaders around the world. To acknowledge the support of each of the partner through Joint Ventures and Collaborations, the partner meet was organized which was attended by the Top Management of all our 13 Joint Venture Partners .

The Joint Venture partners extended their wishes as well as exaggerated that India has a big market potential and they are excited on future prospects India holds. In addition they wish to further strengthen relationship with UNO MINDA to have profitable growth in different businesses each are associated with.
