DEVELOPMENT OF NOIDA INTERNATIONAL AIRPORT
Zurich airport signs shareholder agreement with UP govt

PRESS TRUST OF INDIA
New Delhi, July 17

THE ZURICH AIRPORT International on Saturday signed a shareholder agreement with the Uttar Pradesh government's entity NIAL in Lucknow for the development of the Noida International Airport, a statement said.

Arun Vir Singh, CEO, Noida International Airport (NIAL), and Christoph Schnellmann, CEO, Yamuna International Airport (YIAPL), signed the agreement in the presence of Uttar Pradesh chief minister Yogi Adityanath and senior officials of the UP government, the Zurich Airport International's statement said.

YIAPL is a 100% subsidiary of Zurich Airport International and has been incorporated to develop the Noida International Airport in Jewar, which is around 70 km from the main Delhi region.

According to the agreement, NIAL will hold one golden share in YIAPL and the right to nominate two directors to the board.

"The directors to be added to the board will be Arun Vir Singh,

CEO, NIAL, and Vishak Iyer, director, civil aviation, Government of Uttar Pradesh," it added.

The shareholder agreement also underpins the UP government's support to "establish and continuously improve surface access to the airport, establish and expand utilities required to run the airport (water, electricity, waste water), maintain law and order, including monitoring at the airport, and grant the necessary clearances to build and operate the airport."

"The signing of the shareholder agreement is the next step in the direction of progress for the state. The Noida International Airport will be the benchmark for a modern, world-class airport in India," a statement quoted Adityanath as saying.

The Zurich Airport International had outbid Delhi International Airport (DIAL), Adani Enterprises and Anchorage Infrastructure Investments Holdings to win the 40-year concession for the Noida airport in November 2019

"It will accelerate the development of industrial infrastructure, boost tourism, promote exports, ease air traffic and lead to creation of more jobs in the state. It will generate multi-dimensional progress, leading to economic development in Uttar Pradesh," he added.

Last month, the YIAPL had announced that it has secured a

loan of ₹3,725 crore from the State Bank of India for the development of Noida international Airport. When it won the bid on November 29, 2019, to build and operate the Noida airport, the Zurich Airport International had said the airport will be able to handle 1.2 million passengers per year after the first phase of construction.

Officials of the Uttar Pradesh government and the Swiss company had signed a concession agreement on October 7, 2020, to begin the construction of the Noida airport, estimated to cost ₹29,560 crore.

In December 2020, it had submitted the master plan for the first phase of construction to the UP government and selected a four-company consortium to design the passenger terminal for the greenfield airport in Jewar.

The Zurich Airport International had outbid Delhi International Airport (DIAL), Adani Enterprises and Anchorage Infrastructure Investments Holdings to win the 40-year concession for the Noida airport in November 2019.

Ola e-scooter gets 1L reservations in 24 hrs

FE BUREAU
Chennai, July 17

OLA ON SATURDAY announced that its soon-to-be-launched electric scooter received 1 lakh reservations within the first 24 hours, making it the most pre-booked scooter in the world.

Ola Electric opened the reservation for its electric scooter in the evening of July 15 for ₹499 via olaelectric.com. The company has been seeing

unprecedented demand from customers who continue to throng the website to book the scooter in record numbers, the Ola Electric said.

Bhavish Aggarwal, chairman and group CEO, Ola, said: "I am thrilled by the tremendous response from customers across India for our first electric vehicle. The unprecedented demand is a clear indicator of shifting consumer preferences to EVs. This is a huge step forward in our

mission to transition the world to sustainable mobility. I thank all the consumers who have booked the Ola Scooter and have joined the EV revolution. This is only the beginning."

Ola Scooter will be made in India and manufactured at the firm's ₹2,400-crore modern Future Factory. The firm claims it to be the world's largest, most advanced and greenest two-wheeler factory, being built in Krishnagiri district in Tamil Nadu.

Bajaj Auto starts booking for e-scooter

BAJAJ AUTO ON Saturday said it has commenced bookings for its electric scooter Chetak in Nagpur from July 16.

With the aim of providing a seamless and convenient booking experience, customers can book the vehicle exclusively online on www.chetak.com for ₹2,000, the company said.

CJI: Projected pendency of 45 m cases in courts an overstatement, uncharitable analysis

PRESS TRUST OF INDIA
New Delhi, July 17

THE PROJECTED STATISTICS that pendency in Indian courts has reached 45 million cases, which is perceived as the inability of the Indian judiciary to cope with the caseload, is an "overstatement" and an "uncharitable analysis" and one of the factors contributing to judicial delays is "luxurious litigation", Chief Justice of India N V Ramana said on Saturday.

He said conflicts are unavoidable in any society for various reasons, including political, economic, social, cultural and religious, and there is a need to develop mechanisms for conflict resolution and referred to the Mahabharata, providing an example of an early attempt at mediation as a conflict resolution tool.

Mediation is deeply embedded into the Indian ethos and was prevalent before the British adversarial system in India, various forms of mediation were being practised as a method of dispute resolution, he said.

Delhi airport's T2 terminal to reopen from July 22

PRESS TRUST OF INDIA
New Delhi, July 17

THE T2 TERMINAL of the Delhi international airport will resume operations from July 22, two months after it was shut down due to significant drop in domestic air traffic owing to the Covid-19 pandemic's second wave, a statement said on Saturday.

The resumption of operations at T2 from July 22 onwards will be with approximately 200 air traffic movements (100 departures and 100 arrivals) per day and increase progressively up to around 280 movements by August-end, the statement of Delhi airport's operator DIAL said. Currently, only the T3 terminal of the Delhi airport is

handling flight operations.

"The T2 terminal will resume operations with IndiGo's 2000-2999 series flights and entire operations of GoAir, and is expecting to witness around 25,000 passenger footfall in the initial phase," the Delhi International Airport (DIAL) stated.

About 27 counters - 11 for GoAir and 16 for IndiGo - will be

available to cater to the passengers of respective flights, it said.

The decision to resume T2 operations was taken after the Delhi airport started witnessing gradual growth in passenger footfall post relaxation in lockdown and travel norms by various states since June this year, it noted. The T2 terminal had started handling flight operations on October 1 last year.

'Party high command has asked me to continue as CM'

TERMINING HIS VISIT to Delhi as successful, Chief Minister B S Yediyurappa on Saturday said Central leaders have asked him to continue in his post and that there was no discussion on leadership change.

"The central leaders have asked me to continue as chief minister and strengthen the party. It is our duty to follow their instructions from time to time. There is no question of leadership change," Yediyurappa told reporters here on his return from New Delhi. Earlier in the day, Yediyurappa had dismissed news reports about his resignation as chief minister as "not at all true".

Denying any discussion on

alternative leadership, he emphasised that there was no dearth of substitute leaders in the BJP. However, he maintained that the party has given him the charge and he will work to strengthen the party by taking everyone along.

Yediyurappa had called on Prime Minister Narendra Modi, Home Minister Amit Shah, Defence Minister Rajnath Singh and BJP president J P Nadda in the national capital during his two-day visit and held discussions on issues ranging from politics to Mekedatu balancing reservoir across Cauvery river, which is a bone of contention between Karnataka and Tamil Nadu.
